* Hours worked and accidents & injuries now include office hours or accidents (subunit 99).

** The Incident Rates for the current year are not being provided. Since the calculation for this rate is based on both accidents, which are reported as they occur, and hours (which, by regulation, are reported on a quarterly basis) the numbers for the current year are skewed.

Citations and Orders

Please Note: Aracoma Coal Company Inc has been the operator since 10/1/1999
