

Boy Crushed in Mine.

CANAL DOVER, O., Nov. 17.—“I’m going in the mine, grandpa,” remarked Ray Longabaugh, aged 16, to his grandfather as the two walked past a coal mine yesterday. His entrance into the mine was followed by screams. Rushing in, the grandfather found the boy dead, crushed by heavy pillars which fell from the roof of the mine.

1910 Nov 16 yr old crushed at mine OH
