

## **WORKMAN KILLED IN FALL DOWN MINE SHAFT**

**Vincennes, Ind., June 20.—Jeff Wedding, 35 years old, while dismantling a fan in the old Bicknell mine in northern Knox county today, fell down the shaft and was killed instantly. The mine was abandoned some time ago and is full of gas and water. The fumes are so deadly that it is impossible for one to stand over the opening. The mine contains thirty feet of water. A rescue party with helmets is planning to enter the mine to recover the body.**
