Youth Is Drowned In Stone Quarry

Stricken while swimming in the Bittinger stone quarry, near Spring Grove, Friday evening, Edward Jamison, sixteen-year-old son of Mr. and Mrs. Percy Jamison, Spring Grove, was drowned. His body was recovered from the quarry Saturday morn-

ing at 8:15 o'clock after a search which had started at 7 o'clock Friday evening and continued for several hours and was then resumed early on Saturday.
