

# TWO BOYS TRAPPED IN ABANDONED MINE

## Explore Cavern, Which Caves in Upon Pair at Youngstown.

Youngstown, Oct. 26, (U.P.)—Two boys were recovering here today after spending three hours trapped in an abandoned coal mine.

An alarm was sounded by playmates of the pair when the two failed to return from an exploration trip.

Police, firemen and city street employees gathered to remove the shale which had caved in after the boys entered.

Before the work had progressed far a father of one of the boys found another entrance to the mine and had crawled 1800 feet into the shaft to help the imprisoned pair to freedom.

One of the boys fainted as he was rescued.
