## 12-Year-Old Boy Crushed in Mine

TRINIDAD, Colo., Nov. 27 (AP)—  
A 12-year-old boy exploring an  
abandoned coal mine was crushed  
to death Thursday by a huge rock.

Coroner Ed Toupal said the vic-  
tim, Arthur Brandolino of Dela-  
gua, went into the mine with  
his brother, Nick, 14.

Arthur stayed behind when  
Nick left. A rock fell from the  
roof and crushed the boy.

Charles Brandolino, 16, the vic-  
tim's brother, and three compan-  
ions were drowned last August  
by a flash flood.
