Robert Bartholomew, 26, American Fork, was killed Saturday at about 10:15 a.m. when he accidentally drove his ATV into a mine shaft in west Cedar Valley.

Bartholomew was riding with his father and brother-in-law when the accident occurred.

According to reports, the group was riding in a rocky area. They came up on top of what they thought was a flat area, but instead was a 50-foot-deep mine shaft, said Tooele County Sheriff Frank Scharmann.
