

Man drowns while diving

An Ephrata man drowned last night while scuba diving in a former quarry in Jackson Township.

Daniel Myers, 40, 464 Steven Circle, was pronounced dead at Good Samaritan Hospital at 8:30 p.m., Lebanon County coroner Dr. Jeffrey Yocum said.

Myers was diving with another person at Willow Springs Park along Millardsville Road north of Richland.

Crews from Newmansstown and Keystone Hook and Ladder fire companies were called to the scene about 7:44 p.m.

Yocum said an autopsy was scheduled today and the cause of death is still under investigation.
