

Dive teams recover body of teen at Quarry Lake Park

JOURNAL TIMES STAFF

MOUNT PLEASANT — The body of a 16-year-old boy who reportedly jumped off a cliff near the dock at Quarry Lake Park on Saturday evening and did not

resurface was found Sunday morning, according to the Racine County Sheriff's Office.

Deputies were sent to the park just after 7 p.m. May 18 and along with teams from

the Racine Fire Department and the Southshore Fire Department began searching for the teenager. The search was suspended just before 10 p.m.

The search resumed Sun-

day morning and divers found the boy's body about 10 a.m.

The Sheriff's Criminal Investigations Bureau is working on the case and notifying the boy's family.
