

# **BOY DROWNS IN HIGHLAND PARK**

**FOURTEEN YEAR OLD SON OF  
MR. AND MRS. YOUNG.**

**Boy Was in Water Half an Hour Be-  
fore Being Taken From Pit of  
Abandoned Rock Quarry,  
Filled by Recent Rain.**

The 14-year-old son of Mr. and Mrs. William Young was drowned this afternoon while swimming in Highland Park, in the northwestern part of the city. The body was in the water half an hour before it was recovered.

The park includes the abandoned pit of a rock quarry, and this is used as a swimming pool. The heavy rain yesterday morning put considerable water in the pit.
