

## TWO GIRLS DROWN IN QUARRY POOL

BLUFFTON, Ind., July 18.—Irene Buckles, age 18, and Jennie Conrad, age 16, both of Bluffton, were drowned this afternoon when wading in an abandoned rock quarry north of this city. They were wading on what appeared to be a shallow beach when they stepped over a ledge into a hole. The bodies were recovered after 15 minutes and physicians worked for two hours in futile efforts at resuscitation.
