

# Worker Killed In Mine Shaft Fall

**Lyon Mountain — (AP) —** Ralph Porter was injured fatally Wednesday when he fell 150 feet down a shaft in a Republic Steel Corporation iron mine.

Porter, 36, was working alone on the 600-foot level. Charles Umber, working 100 feet below, saw Porter fall past his level and called help. Porter died shortly after being taken to Physicians Hospital in Plattsburg.
