

Dreadfully Nervous.
Gents:—I was dreadfully nervous and for relief took your Kari's Clover Root Tea. It quieted my nerves and strengthened my whole nervous system. I was troubled with Constipation. Kidney and Bowel trouble. Your Tea soon cleansed my system so thoroughly that I rapidly regained health and strength. Mrs. A. S. Sweet, Hartford, Conn. Sold by all dealers.

One of the best indications of the severity of the fire was a car which was blown out of the slope soon after the fire started. The car was attached to the hoisting cable and came out of the slope all ablaze. The woodwork is burnt to ashes, the iron work only remains as an anemic skeleton. The car stood on a sliding and was the object of much serious speculation.

ORIGIN OF FIRE

The origin of the fire is completely a mystery and no reasonable explanation can be given which meets all inquiries. There are four veins in the mine, viz., the No. 1, No. 2, No. 3 and the Clark and the Rock. The seven men employed in various parts of the mine
