

# ENTOMBED MINER RESCUED ALIVE

(By Associated Press.)

SPOKANE, Wash., — March 27.—

Paul Emmanuelson, the timberman who was imprisoned at the Bunker Hill and Sullivan mine at Wardner, Idaho, by the caving in of an abandoned stope, was rescued alive at 8 o'clock tonight. He had been buried thirty hours. His companion was rescued late last night.

1908 Paul Emmanuelson rescued after being buried 30 hrs in Idaho mine
