

<h3>AGREEMENT WILL BE BURIED</h3> <p>Canadian Reciprocity is Not Favored</p> <p><small>(By United Press to The Telegram.)</small> WASHINGTON, Jan. 28.—President Taft's Canadian reciprocity agreement, according to the opinions of most legislators today is dead and buried. Two places of interment, it is said, will be found in the senate finance committee and the house committee on ways and means, to which the proposal has been referred. There is believed to be no doubt the agreement will be pigeonholed.</p>	<p>blast buried him under tons of earth, but the heavy timbers protected him. The rescuers found him unconscious but he will recover.</p> <h3>TOO STRONG FOR PUBLICATION</h3> <p>Is Resolution Against Anti-Coolie Clause</p> <p><small>(By United Press to The Telegram.)</small> SACRAMENTO, Jan. 28.—A protest against the reported change in the United States treaty with Japan whereby the coolie clause will be eliminated was made today in a resolution by Assemblyman Polesy of Red Bluff. The language of the resolution was so strong that Speaker Hewitt, to gain time, sent it to the printer. Polesy demands stricter exclusion laws.</p> <p>TRYING TO AVERT STRIKE <small>(By United Press to The Telegram.)</small> CHICAGO, Jan. 28.—In an effort to prevent a threatened strike of 8000 street car men Mayor Bussis today called a conference of the presidents of traction lines for Monday when he will urge that concessions be made the men on the wage dispute.</p> <p>WILL COME UP MONDAY <small>(By United Press to The Telegram.)</small> WASHINGTON, Jan. 28.—The bill providing for a tariff commission will be voted on in the House probably Monday according to predictions in legislative circles.</p>
<h3>BURIED UNDER TONS OF EARTH</h3> <p>Miner Rescued After 32 Hours Imprisonment</p> <p><small>(By United Press to The Telegram.)</small> SAN BERNARDINO, Jan. 28.—George Kramer, a miner, was rescued today after thirty-two hours' imprisonment in the shaft of the Mills-Hamilton mine at Wingate Pass. A premature</p>
