

Miner Rescued.

McAlester, Okla., Sept. 30.—
Imprisoned for sixteen hours in
the burning Bolan-Darrall mine
at Craig, Frank Spanvelli was
taken out alive. He is badly
burned but will recover. The
body of Antonio Piatza was found
not far from the cavein where
Spanevelli was found. They
were the only two men in the
mine when it caught fire after an
explosion.

1912 Frank Spanvelli rescued after 16 hours
