

Gas Explosion in Coal Mine; 3 Men Serious

(By Associated Press).

BIRMINGHAM, Ala., Nov. 25 — Three of the six men injured Tuesday when 10 were killed in a gas explosion in the Railway Fuel company's coal mine at Parrish, are reported in a serious condition today. General Manager W. E. Leake, of the company, gave out a statement that the accident was caused by an open light in the hands of a miner being carried past the danger board into a gas pocket.
