

TRINIDAD, Colo., Jan. 29.—Between 30 and 35 men were trapped in the Bear canyon coal company's mine in Bear canyon near here today following a gas explosion.

All the men were taken out of the mine late this afternoon, according to word from the state mine inspector. Ten of the miners received serious burns, two whose recovery is uncertain. The condition of three others is extremely serious.

1926 Thirty to thirty five miners rescued from Bear Canyon mine in CO
