

### Buried Miner Rescued Alive.

Rescue workers today recovered the body of Andrew Sweetick, 38, caught with John Prelana, 40, in a fall of rock in the No. 2 shaft of the Nesquehoning colliery, near Tamaqua, at noon yesterday. Buried alive for fourteen hours, Prelana was rescued from the shaft early today.

## 1929 John Prelana rescued from mine after 14 hours
