

MINER IS RESCUED FROM FALL OF ORE

Steve Barnes Free from Injury
in Accident.

Caught by a fall of ore in the G
Pabst mine early this morning,
Steve Barnes was rescued uninjured
after two and one-half hours work
by fellow employes. The accident
occurred at 4:15. Barnes' partner
escaped the rush of ore and sum-
moned help. Barnes was buried to
his shoulders, which made the task
of freeing him difficult.
