

Rescue Three Buried Miners

Mecur, Utah, Feb. 24. (AP)—
Three miners were rescued today
after 49 hours of imprisonment
behind a mud slide that blocked
the mouth of the tunnel where
they had been working.

The men, Mark Jorgenson, 21,
his brother, Max, 19, and Wil-
liam Peterson, 33, blinked at the
sunlight as they emerged and
told of "just waiting" while their
rescuers drilled thru a rock wall
to reach them.
