

Mechanic Killed At Sayre Mine

A mechanic was killed and another injured in the coal washing plant at Republic Steel Co.'s Sayre Mine Friday, according to a spokesman for Republic Steel.

Ernest Ray Friffin, 59, Dora, Rt. 2, was fatally injured when a chain drag conveyor moved while a crew of seven was making repairs, the spokesman said.

Sidney I. Stewart, 55, also of Dora Rt. 2, suffered shoulder and arm injuries and was taken to Longview General Hospital in Graysville.
