

# RESCUED FROM MINE CHAMBER

---

**Depression of 115 Feet Threat-  
ened Miner's Life- He  
Will Recover**

---

Duluth, Minn., Sept. 25.—Word received here from Chisholm, on the range, says that Paul Meliege has been rescued from a mine chamber 265 feet below the surface of the earth and upon which there has been a sudden sinking depression of 115 feet. When dragged out Meliege fainted from exhaustion. He was hurried to a hospital, where it is said he will recover.

---

is no room for or possibility of reasonable "common law" agreements in partial restraint of competition and trade? There is nothing in his interview to indicate that he would.

---

**RESCUED FROM MINE'S DEPTHS.**

---

**Released From Imprisonment 265 Feet  
Below the Surface.**

DULUTH, Minn., Sept. 25.—Word received here from Chisholm, on the range, says that Paul Meliege, forty years old.

and unmarried, has been rescued from a mine chamber 265 feet below the surface of the earth and upon which there had been a sudden sinking depression of 115 feet.

When he was dragged out of the mine by other miners, Meliege fainted from excitement and exhaustion. He was hurried to a hospital, where it is said, he will live.
